

Mural Pro by Magiclée®

Mural Pro by Magiclée® is a latex-based ink jet wallcovering media for residential, hospitality, commercial, and retail design. Mural-Pro(TM) is an economical alternative to adhesive vinyl for in-store environmental graphics. Mural-Pro results in similar print and posting performance as DMiBOP without the added costs of having nylon reinforcement. The universal coating provides a wide range of printer compatibility across thermal and piezo printer systems. Caliper: 12 mil
